## New Families: Join Us In July

Achievement Charter Academy wishes to thank all of our new families for allowing us to be part of your child's educational experiences. We're excited to get to know your family and to begin our journey together.

As a starting point, we will be hosting our **ACA Kindergarten Sneak Preview Event** on a Saturday morning in late July. We're inviting all of our new students and families -- especially new kindergarteners and first graders -- to join us at school for 90 minutes of fun and engagement. It will be a great opportunity to introduce your child to school in a relaxed, nurturing and positive environment.

We'll have read aloud stories, learning circle rotations and a special activity to give our new students a taste of all of the fun and support they will be receiving this fall. They'll get the opportunity to start building relationships with their teachers and new classmates. During the event, you will have the chance to meet ACA administrators, teachers and other parents, to ask questions and learn more about our amazing school, while seeing the K-1 learning experience first-hand.

More details coming soon!
