ACA Demonstrates Major Academic Growth in 2022-23 School Year

Achievement Charter Academy recorded a strong showing in the state's 2022-23 report card for schools throughout North Carolina. In our third year of operation, ACA student grades were among the highest in the area for annual progress. The school's overall Growth Score of 78.3, ranked 8th among all schools based in Harnett County. ACA's School Growth Index placed 6th out of 25 schools.

ACA's performance in reading and math end of grade testing also yielded strong results. Our Reading Growth Index placed 4th out of 21 area schools and our Growth Score was 8th among 21. ACA showed progress in math testing as well; ranking 7th of 21 for both Growth Score and Growth Index.

Director of Education Leaja Horne is justifiably proud of the school's accomplishments and views it as a positive reflection of the efforts of students and staff.

She observes, "I couldn't be more pleased by the progress we are seeing in this past year's state report card. In the 2022-23 school year, we worked incredibly hard to provide our students with the resources and support they needed, to grow as scholars. It's very encouraging to see clear evidence of this progress. Last year we were one of nine Harnett County elementary or middle schools that met or exceeded growth expectations. The impact of COVID on all children was significant, especially for our youngest students. It's exciting to see us closing the gap and giving our students the learning environment to help them achieve their fullest academic potential."

Join Us For Curriculum Night On October 30

Achievement Charter Academy invites our parents to attend Curriculum Night, on Monday, October 30. It's the ideal time to learn more about what our students learn every day.

In addition to ACA's Get Happier program, our team will share information about our ELA and mathematics academic programs.

[Please click here and let us know if you are planning to attend.](#) so we can anticipate our turn out.

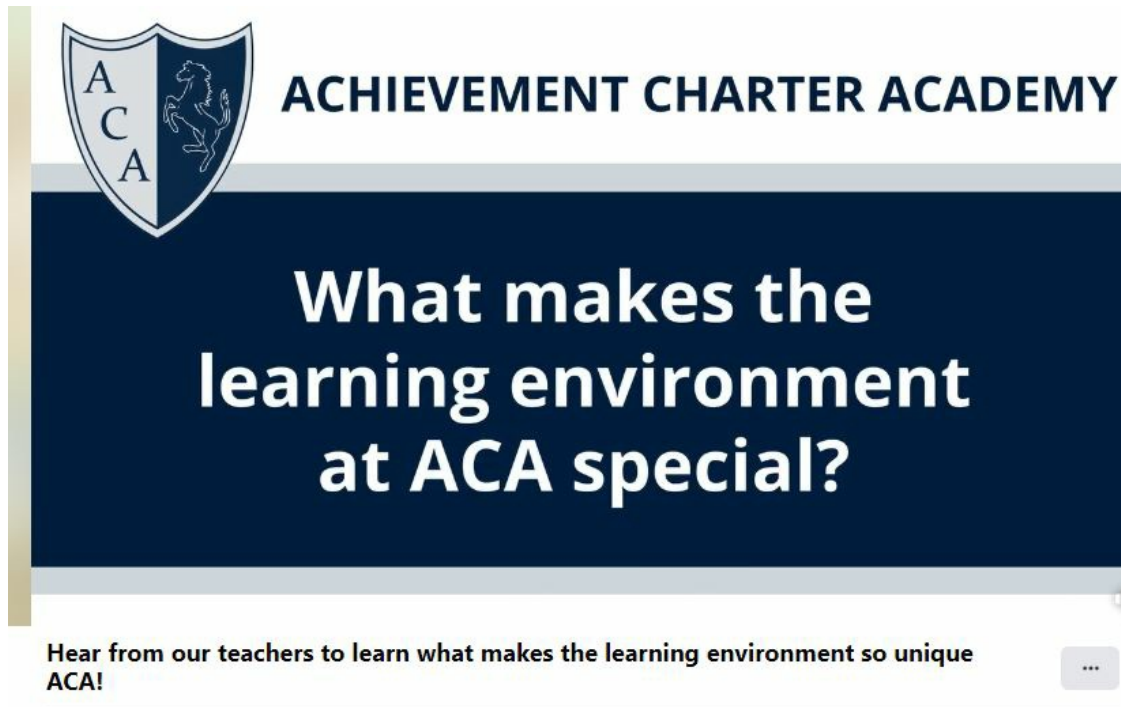

We hope you'll join us in the Buttonwood Building from 5:30 to 6:30, for Curriculum Night at ACA!

A large white speech bubble in the center contains the text 'CURRICULUM NIGHT' in bold, dark blue capital letters. Below the speech bubble, the text 'LEARN WHAT OUR STUDENTS ARE DOING!' is written in dark blue. To the left, a white rounded rectangle contains the date 'OCTOBER 30' in large, bold, dark blue letters, with '5:30-6:30PM' in smaller dark blue letters below it. To the right, another white rounded rectangle contains the text 'Parents can learn about ACA's 'Get Happier' Curricula and hear presentations about ELA and Math!' in dark blue. At the bottom, a white rounded rectangle contains the text 'LOCATION: BUTTONWOOD BUILDING' in dark blue.

ACA Educators Embrace Our Learning Model

We recently asked some ACA teachers to share their thoughts about the learning experience we offer here at school. We thought you'd enjoy hearing their thoughts!

Welcome To Achievement *Color* Academy!

We've enjoyed a "colorful" week here at [Achievement Charter Academy](#) as our school supported Breast Cancer Awareness on Tuesday and Anti-Bullying on Wednesday. Our students and staff were dressed in pink and orange to play their part.
